Hey Everyone,

It's hard to believe, but the time has come for me to say goodbye. I'm moving on from the company and starting a new chapter with ZEMA Global. Life moves on, and the journey moves forward — but leaving behind such an amazing bunch of people definitely tugs at the heart.

These past *6 months flew by* — seriously, it felt like they went by in the blink of an eye. I still remember joining with the best 5 — though 1 left, the rest of us really made the most of it till the very end. That bond will always be special.

I just wanted to take a moment to thank each and every one of you — for the support, the laughs, the memories, and everything in between. A very *special thanks to my team* for standing by me through all the FA negligence, for solving all sorts of tickets, and just being my go-to people. You made the hard days manageable and the good days even better.

A heartfelt thanks to *Chirag* — you've been such a supportive and calm manager, and it made a whole perspective different for a fresher. And *Anil bhai*, thank you for never judging my silly doubts and always helping me solve some really complex tickets in no time.

I'll really miss those long after-lunch breaks (you know the ones 😊), the Saturday explorations, and all our spontaneous food hunts. Trying new things with you all made every week a little adventure in itself.

Let's please stay in touch — I know meeting in person might be next to impossible with our crazy lives, but a text or call sometimes can do wonders. And hey — if you ever spot me somewhere, don't ever hesitate to stop and talk for two minutes 😊

With lots of gratitude and good vibes,
Omkar Nimbalkar
